HELP MAKE MORE PEWS AVAILABLE . . .

Families...if all family members are agreeable ask for a seat for parents and children, grandparents, etc.

Singles and Couples...if other members are agreeable make one reservation for your group.

When you make a reservation I need to know how many people are sitting together and the names.

I cannot guarantee a particular pew. The pews are set up for various numbers of people and I need to stick with that guideline when possible.

Thank you for your cooperation. —Patti Newlin

THE SCOOP

Some members have mentioned to me that the WSOY Sunday recording of Pilgrim's sermon comes on at different times.

Here is the scoop . . .

I found out that our regular 9:10 a.m. sermon broadcast is still presented.

However, WSOY is also presenting Pilgrim's sermon at various other times on Sunday morning as a result of fewer churches recording sermons for the radio. The "various other times" are random.

Who knows, maybe one of the "random" times will touch the heart and soul of someone listening.

THE TRAGEDY OF ABORTION

Many thanks to the Lange and Rotz families for the cross display on Pilgrim's front lawn.

A remembrance of the children killed through abortion.
