HELP MAKE MORE PEWS AVAILABLE . . .

Families...if all family members are agreeable ask for a seat for parents and children, grandparents, etc.

Singles and Couples...if other members are agreeable make one reservation for your group.

When you make a reservation I need to know how many people are sitting together and the names.

I cannot guarantee a particular pew. The pews are set up for various numbers of people and I need to stick with that guideline when possible. Thank you for your cooperation. —Patti Newlin
